Accountants' Review Report

To the Board of Directors
LifeNets International, Inc.
Indianapolis, Indiana

We have reviewed the accompanying statement of financial position of LifeNets International, Inc. (LifeNets) (a nonprofit corporation) as of December 31, 2007, the related statement of activities for the year ended December 31, 2007, and the statements of cash flows and functional expenses for the years ended December 31, 2007 and 2006, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. These financial statements are the responsibility of LifeNets' management. The prior year summarized comparative information has been derived from LifeNets' 2006 financial statements.

A review consists principally of inquiries of LifeNets' personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, we do not express such an opinion.

Based on our reviews, we are not aware of any material modification that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Respectfully submitted,

K. B. Parrish & Co. LLP

LIFENETS INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS (See Accountants' Review Report) Years Ended December 31, 2007 and 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General

LifeNets International, Inc. (LifeNets) was organized and incorporated under the laws of the state of Indiana on September 2, 1999, with headquarters now located in Indianapolis, Indiana. At December 31, 2007 and 2006, LifeNets had affiliated chapters in Kenya, South Africa, Ukraine and Zambia.

The mission of LifeNets is to help the disadvantaged and vulnerable in practical ways, promote self-sufficiency and, where possible, enable the recipients to pass their benefit on to others. LifeNets works on the basis of mutual respect and dignity with recipients and donors, delivers services through known and trusted local leaders, is culturally sensitive in the type and amount of aid delivered and leverages donations by partnering with organizations and individuals that provide products for free or at low cost.

Financial Statement Presentation

LifeNets has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "*Financial Statements of Not-for-Profit Organizations*." Under SFAS No. 117, LifeNets is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. In addition, LifeNets is required to present a statement of cash flows. The classes of net assets are further discussed as follows:

Unrestricted net assets result from all activities for which no donor-imposed restrictions were stipulated beyond the stated purposes of LifeNets. Unrestricted net assets consist of two categories: undesignated and designated. Undesignated net assets represent amounts which are available for any purpose within the scope of LifeNets' activities. Designated net assets represent amounts that have been appropriated by the Board of Directors of LifeNets for a specific activity or group of activities. Such designations could be changed by action of the Board of Directors at any time. As of December 31, 2007 and 2006, LifeNets had no designated net assets.

Restricted net assets result from various activities conducted under donor-imposed restrictions, both temporary and permanent in nature.

Temporarily restricted net assets are net assets whose use by LifeNets is limited by donor-imposed stipulations that either expire by the passage of time or are fulfilled and removed by actions of LifeNets pursuant to those stipulations. As the restrictions are met, the net assets are released from restrictions and included in unrestricted net assets. Contributions for which the restrictions are met in the same period in which the contribution is received are also recorded as temporarily restricted support.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Financial Statement Presentation - Continued

Permanently restricted net assets include net assets whose use by LifeNets is limited by donor-imposed stipulations that neither expire by the passage of time, nor can be fulfilled or otherwise removed by actions of LifeNets. Uses of investment income, gains and losses earned on permanently restricted investments are limited by donor-imposed stipulations, which can be fulfilled by actions of LifeNets. As of December 31, 2007 and 2006, LifeNets had no permanently restricted net assets.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Comparative Information

The amounts shown for 2006 in the accompanying financial statements are presented to provide a basis for comparison with 2007 and present summarized totals only.

Fair Value of Financial Instruments

Statement of Financial Accounting Standards No. 107, "Disclosures about Fair Value of Financial Instruments," requires disclosure of an estimate of fair value of certain financial instruments. LifeNets' significant financial instruments are cash and other short-term assets and liabilities. For these financial instruments, carrying value approximates fair value.

Concentrations of Credit Risk

LifeNets is supported primarily by contributions from the public. It is always considered reasonably possible that benefactors, grantors, or contributors might be lost in the near term. Financial instruments that are exposed to concentrations of credit risk consist of cash, which is held in high quality institutions and companies with high credit ratings. As of December 31, 2007 and 2006, LifeNets had no significant concentrations of credit risk.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Significant areas involving the use of estimates and assumptions include the valuation of donated inventory and the depreciation of property and equipment.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Cash Equivalents

Cash and cash equivalents consist of amounts on deposit with commercial banks, all available within 90 days following demand. Cash deposits may exceed federal insurance limits from time to time.

Inventory

Inventory consists of eyeglasses, clothing, toys, supplies and wheelchairs and is stated at the lower of cost or market, determined on the first-in, first-out method. Donated items are recorded at estimated fair value at the date of donation.

Property and Equipment

Expenditures for property and equipment and items which substantially increase the useful life of existing assets are capitalized at cost. Maintenance, repairs and minor renewals are expensed as incurred. When properties are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the respective accounts and any gain or loss on disposition is credited to or charged against income for the period.

LifeNets provides for depreciation on the straight-line method, at rates designed to allocate the cost of assets over estimated useful lives as follows:

Furniture and equipment	3 - 10 years
-------------------------	--------------

Support and Revenue

LifeNets reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

LifeNets reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, LifeNets reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Years Ended December 31, 2007 and 2006

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

In-kind Contributions and Contributed Services

In-kind contributions are reflected as contributions at their estimated fair value at the date of donation and are reported as unrestricted support unless explicit donor stipulations specify how donated assets must be used. LifeNets benefited from donated administrative services including accounting, and program management valued at \$59,136 and \$68,136 for the years ended December 31, 2007 and 2006, respectively. These amounts are reported as both non-cash contribution revenue and donated services. LifeNets received contributed goods of wheelchairs, medicine, medical equipment, and other supplies valued at \$179,547 and \$233,023 for the years ended December 31, 2007 and 2006, respectively. These amounts are reported as non-cash contribution revenue and donation or grant expenses.

Income Taxes

LifeNets is exempt from federal income tax under Section 501(c)(3) of the U.S. Internal Revenue Code. However, should LifeNets ever have income from certain activities not directly related to LifeNets' tax-exempt purpose; such income would be subject to taxation as unrelated business income. In addition, LifeNets qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a).

Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis on the statement of activities. Certain costs have been allocated among the program and supporting services categories.

Expenses are reported by the nature of activities they support, in the following categories:

Scholarships and Education - LifeNets provides scholarships for a variety of educational opportunities.

Philanthropy - LifeNets provides other support in the way of supplies, wheelchairs, equipment and cash for specific projects.

Management and General - This area accounts for all general and administrative expenses associated with maintaining LifeNets international office.

NOTE 2 - INVENTORIES

Inventories consist of donated items awaiting shipment to those in need, primarily eyeglasses, clothing, toys, supplies and wheelchairs, and are valued at the lower of cost or market. As of December 31, 2007 and 2006, LifeNets had inventory items worth \$8,648 and \$17,146 on hand.
