

INTENTION TO DONATE

KNOW ALL MEN BY THESE PRESENTS THAT:

In recognition of the noble goals and honorable accomplishments of the Girl Scouts of the Philippines, with the Davao Chapter in particular entering its 95th year since it was historically established as the first Girl Scout Troop registered with the Girl Scouts of America back in 1918, soon after the organization of the Girl Scouts in the Philippines;

And apart from its built-in programs in guiding and developing the potential of female youths among the local citizenry; it has also made available its Davao Camp Alano Regional Training Center to other organization in their respective pursuit of educational, social, moral, and spiritual values and development among their own membership;

But attendant to the pursuit of some of these endeavors, there is a shortage of water supply at the faucets and shower heads especially at the second floor levels of the: Training Center Dormitory, and the second floor level of the White Building Dormitory, when water facilities at the ground level are in use during large conventions or activities;

Therefore, in a humble effort to help solve the perennial water problem, and as a token of gratitude; **The UNITED CHURCH OF GOD, AIA Pilipinas, Inc.**, in cooperation with **LifeNets**, a charitable foundation organized by Victor Kubik, jointly;

INTEND TO DONATE:

Two (2) horizontal-type Stainless Steel Water Tanks, each with a capacity of 2,000 liters (500 gallons), to be appropriately installed at the roof top level of each building, namely: the Training Center Dormitory, and the White Building Dormitory; both located within the Camp Alano Regional Training Center in Daliao, Toril, Davao City, Philippines.

Such donated water tanks, and their installation shall conform to approved structural and engineering standards, together with all plumbing installations and pump facilities.

Finally, let be it known that these water tank donations including its attendant construction costs and installation processes are to be undertaken solely by these two aforementioned organizations; and that the Girl Scouts of the Philippines is free from any such costs, obligations, liabilities and responsibilities attendant to such donations.

Done this 10th day of August 2012, in Davao City, Philippines.
