Life Nets Wheelchair
P.O.Box 88615
Indianapolis, In. 46208-0165

Dear life Nets Volunteers:

On behalf of the Department of Human Services and our client
, we would like to express our eternal gratitude for your generosity and
understanding of our client's needs.

Mr. [redacted] has been afflicted with cerebral palsy and he was residing with a
distant relative who evicted him due to a family dispute; the client became
homeless and destitute when he lost his source of income due to the eviction.

Thanks to your generosity, the client is becoming independent and has his own
apartment and obtained a part time job. The gift you gave him through his
motorized wheelchair turned Mr. [redacted] life around. He is able to travel and
to be an independent individual. He is a very proud person and you
demonstrated again that there are still angels in this world.

Again, we are grateful to you and your organization for taking interest in
someone who felt abandoned and lost.

Sincerely,

Kay Bermudez
Human Service Specialist II
